

Returns & Refunds Policy

Return window

You can return any unused candle within 30 days of delivery for a full refund. The candle must be unburned and in its original packaging.

Faulty or damaged items

If a candle arrives broken, cracked, or with a fault (a wick that won't light, a cracked jar), contact us within 30 days with a photo. We will send a free replacement or a full refund - your choice. You do not need to return a broken item.

Wrong item sent

If we sent the wrong scent or product, we cover return postage and send the correct item straight away.

How refunds are issued

Refunds go back to the original payment method within 5 working days of us receiving the return (or of approving a faulty-item claim). Shipping is refunded only when the return is our fault.

Sale items

Sale and clearance items can be returned for store credit, not a cash refund, unless they are faulty.

Allergies

Every product lists its fragrance ingredients on the label and product page. We cannot accept returns for a scent a customer simply didn't like, but we always refund a genuine allergic reaction.
